Notes

*1 Students planning to complete the Master's program at the end of the semester may not be able to register for this course. Please confirm the class schedule before.

*2 Students are required to have completed "Quantitative Methods in Political Science" in the previous year or to be taking it along with this course.

*3 When students repeat "Advanced Lectures" with the same theme as that which they have registered for in the previous year, the credits for the course registered for this year will not be counted toward the requirements for completion of the Master's program.

*4 This course will be taught in English and Japanese when a non-Japanese speaking student has registered.
